

Contract Details

1. **Full Name of the Contracting Body:**

The Scottish Legal Aid Board (SLAB)

2. **Name and ID of the Contract:**

Oracle Cloud Recruiting Implementation SLAB/PSD/24/543

3. **Services Required:**

- Consultancy support for the implementation of the Oracle Cloud Recruiting module within the existing Oracle Fusion HCM framework.
- Knowledge transfer to SLAB staff to ensure self-sufficiency post-implementation.
- Creation of a comprehensive configuration document detailing the setup and functionality.
- Implementation of recruitment features including job posting and management, candidate sourcing, application process, candidate screening and assessment, interview management, offer management, analytics and reporting, and ensuring compliance and security.
- Possible data migration from the existing People Solutions system to the new Oracle Cloud Recruiting module.

4. **Financial Constraints:**

- No specific budget is mentioned.
- Suppliers are required to provide a fixed price for the outlined services in the Invitation to Tender.
- A day rate should also be provided for any additional ad hoc work that may arise.

5. **Vendor Requirements:**

- Demonstrated expertise in Oracle Cloud Recruiting implementation.
- Ability to work collaboratively with SLAB staff, ensuring effective knowledge transfer and documentation.
- Experience in handling similar projects, particularly those involving data migration and the implementation of comprehensive recruitment solutions.

6. **Other Considerations:**

- **Tender Deadline:** 12th July 2024 at 12:00 local time.
- **Contract Duration:** 6 months.
- **Evaluation Criteria:** The evaluation will be 65% technical and 35% based on price. Technical evaluation will focus on the vendor's approach to collaboration with SLAB, the implementation of the recruitment features, and the handling of data migration.
- **Submission:** Tenders must be submitted electronically via Public Contracts Scotland.
- **Award Criteria:** The contract will be awarded to the tender offering the most economically advantageous combination of price and technical capability.
- **Geographical Restrictions:** No explicit geographical restrictions are mentioned, but the place of performance is listed as UKM75 (Edinburgh), indicating a

preference for services to be delivered or coordinated from this location.

- **Procurement Agreement:** The procurement is covered by the Government Procurement Agreement, suggesting adherence to specific regulatory and procedural standards.

This summary provides a concise overview of the key aspects of the Oracle Cloud Recruiting Implementation contract offered by the Scottish Legal Aid Board, including the services required, financial considerations, vendor qualifications, and other relevant information to assist in the procurement process.
