

Contract Details

1. **Contracting Body:** Ayrshire College
2. **Contract Name and ID:** Ayrshire College On-Line Apprenticeship Student Portfolio & Assessment Platform - 2024-PS-34
3. **Required Services:**
 - **Online Portfolio System:** The system must cater to approximately 1,100 users, streamlining the process of assessment evidence collection, portfolio building, marking, and feedback.
 - **Functionality:** The platform should support all types of assessment evidence including notes, photos, videos, and audio. It must offer user-friendly functionality for assessors and tutors to access student portfolios, monitor progress, set plans, and complete assessments.
 - **Verification and Evaluation:** The system should include robust verification and evaluation functionalities to ensure the integrity and quality of assessments.
 - **Flexibility and Accessibility:** The platform must provide flexible working options for students and be accessible to all users.
 - **Enhancements:** A range of optional enhancements should be available to meet the evolving needs of the college and its students.
4. **Financial Constraints:**
 - **Estimated Total Value:** £104,000 excluding VAT.
 - **Contract Duration:** 36 months.
5. **Vendor Requirements:**
 - **Acceptance of Terms:** Vendors must accept Ayrshire College's Terms and Conditions without amendments.
 - **Form of Tender:** Vendors must sign a Form of Tender confirming acceptance of all requirements.
6. **Other Considerations:**
 - **Tender Submission Deadline:** 17 July 2024, 12:00 noon.
 - **Evaluation Criteria:** Proposals will be evaluated based on software functionality and accessibility (35%), implementation, project management and training (10%), support and maintenance (15%), and price (40%).
 - **Contract Start Date:** 15 September 2024.
 - **Experience:** Demonstrating experience with similar implementations in the education sector will be beneficial.
7. **Geographical Restrictions:**
 - **Place of Performance:** Ayrshire College (NUTS code UKM93).

This summary outlines the key aspects of the contract for an Online Apprenticeship Student Portfolio & Assessment Platform required by Ayrshire College. The focus is on a comprehensive, user-friendly system that supports a wide range of assessment evidence and offers flexibility for students and assessors. The successful vendor must meet the

college's financial, technical, and operational criteria while adhering to specified terms and conditions.
